## WELCOME TO LYMM FESTIVAL 2026

This year marks our 28th Lymm Festival celebration. As always, we are bringing you a huge range of events, performances and activities across the eleven days of the Festival.

We have a mixture of regular features, returning favourites and some brand new events too. Hopefully there is something for everyone, and we continue to work hard to reach out to the younger end of our community through our family theatre events. I am especially pleased this year that we're bringing back an outdoor theatre production. The fantastic Illyria will be performing 'The Three Musketeers' in the grounds of Cherry Tree School. That's set to be a great evening and the show is suitable for anyone from age eight upwards.

As usual, the first event is the FoodFest which takes place on Thursday 18 June. The village comes alive with stalls from local restaurants and street traders, together with street entertainment. This gets everyone in the mood for what is to come. We are all hoping that the beautiful, sunny weather we have had in recent years will return for this year's FoodFest!

I would like to thank all our sponsors, event organisers, performers and organising committee, not forgetting our army of local volunteers and guide distributors. All of you collectively make it possible to put on the Festival and help keep it an annual highlight, both for the residents of Lymm but increasingly for people who visit the village from elsewhere to attend our events. The Festival simply couldn't happen without you all. Finally, an illustration of how popular we've become. All the Lymm Festival team were thrilled at the end of 2025, when we were announced as the winners of the 'Best Community Arts and Entertainment Festival in the North of England' by Lux Life Magazine. A fitting tribute to the efforts of everyone involved.

# DR STEPHEN BARRETT

## THE GREAT MOON HOAX

WEDNESDAY 24TH JUNE

- LYMM UNITED REFORM CHURCH
- 7:30PM  
DOORS OPEN 7PM
- ADMISSION - £10

Dr Stephen Barrett - Senior Research Fellow in the Department of Physics at Liverpool University - makes a welcome return to the Festival with another engaging and entertaining science talk. And what could be more topical than the subject of lunar exploration, given this year's Artemis II mission to view the far side of the moon?

Ever since the (alleged!) moon landings of the late 1960s and 1970s, there has been controversy and speculation over whether or not they really took place as claimed.

Dr Barrett will examine the evidence - and the speculation - on both sides of the debate and shed a little light on our most recent trip to the dark side of the moon.

One of Dr Barrett's specialist subjects is astrophotography, so who better to give us a clear picture of the evidence on both sides of the never-ending moon landings debate?

# GARY STEWART THE SONGS OF PAUL SIMON

SATURDAY 20TH JUNE

- LYMM RUGBY CLUB
- 7:30PM DOORS OPEN 7PM
- ADMISSION - £15

Join us for an evening of the timeless songs of Paul Simon, performed by Gary Stewart, a singer/songwriter who has appeared to great acclaim at some of the UK's biggest festivals.

Expect to hear performances of classic tunes such as 'The Boxer', 'Mrs Robinson', 'Me & Julio Down By The Schoolyard', 'Graceland' and 'The Obvious Child', alongside lesser-known 'deep cuts'.

When not performing Paul Simon's songs, Gary Stewart writes his own material in the folk/pop vein, influenced by the singer-songwriters of the '60's and '70's. He has released four albums and his music has been played on BBC Radio Scotland and Mark Radcliffe's Radio 2 Folk Show.

He also leads a seven-piece band in rousing performances of Paul Simon's classic album, 'Graceland'.

" Reminiscent of a 1960's  
bedsit-era Paul Simon."

# ANTHONY TONER

**MONDAY 22ND JUNE**

- **LYMM RUGBY CLUB**
- **7:30PM**  
**DOORS OPEN 7PM**
- **ADMISSION - £15**

Acclaimed Northern Ireland songwriter Anthony Toner makes a return to Lymm as a headline act, having made a strong impression as special guest of Barbara Dickson at last year's Lymm Festival.

His return to Cheshire is part of a busy year of live shows across the UK. Based in Belfast, he has spent the last ten years developing a growing following in Scotland and England, thanks in part to his Barbara Dickson connection, and also a series of acclaimed folk club tours in his own right. Songs like 'Sailortown' and 'The Road to Fivemiletown' have made him one of Belfast's most revered singer-songwriters and guitarists, and he now has no fewer than 15 albums under his belt.

Blessed with a terrific acoustic fingerstyle technique, he also brings some superb stories from the road, and songs loaded with heart and insight.

In addition, he often peppers his set with well-chosen covers, some old Irish tunes, the occasional blues selection, and if the mood is right, even the odd rendition of a favourite poem from some of Ireland's most revered writers. A true devotee of live performance, it goes without saying that he's delighted to be back at Lymm Festival this year.

"It's fair to say that Toner was the find of the festival. Truly engaging, humorous, a nimble guitarist and no slouch in the song writing stakes, Toner was a blast."

**Glasgow Americana Festival**

"His performances have transfixed our audiences each time he has been here, and he is a pleasure to work with.... an extraordinary musician."

**Market Place Theatre, Armagh**

Leeds-based folk group Lonan weave together compelling ballads and driving instrumental tunes, delivering thought-provoking original and traditional material with delicacy and conviction.

The duo brings together the unique musical voices of balladeer and folk flautist/whistle-player Katy Ryder and klezmer fiddler and troubadour Robin Timmis. Their latest album, 'Oddy Locks', explores timeless yet contemporary issues such as incarceration, gender and migration, with a recurring theme of resilience in the face of adversity.

Their music has been played on Mark Radcliffe's BBC Radio 2 folk show, and they have performed at Llangollen International Eisteddfod, Hebden Bridge Folk Festival and Northern Green Gathering.

"Engrossing and magical. 5 stars."

**Folk and Tumble Magazine**

"From old material to modern classics and original lyrics, they vividly depict people and atmospheres with the precision of neo-classical miniatures and the warmth and intimacy of an impressionist painting."

**Bright Young Folk**

# AN EVENING WITH GERALD DICKENS

**FRIDAY 19 JUNE**

- **LYMM BAPTIST CHURCH**
- **7:30PM**
- **DOORS OPEN - 7PM**
- **ADMISSION - £15**

**Festival regular Gerald Dickens - the great, great grandson of the legendary author Charles Dickens - returns to Lymm with a double-bill performance:**

### Mr Dickens is Coming!

A light-hearted and varied look at the life and character of Charles Dickens. Gerald uses scenes from the great author's works, diary extracts and observations from those who knew and worked with him. With its fresh and modern perspective, 'Mr Dickens is Coming!' always proves to be an audience favourite

### Sikes and Nancy

This is Victorian theatre at its most dramatic. Most of Charles' readings were safe, well-known and often comic passages from his novels, but in 1869 he introduced 'Sikes and Nancy' to his repertoire.

When Dickens performed what he called 'The Murder' he apparently judged the evening's success by the number of ladies who fainted in horror. Today it has lost none of its power. First aid will be at hand!

Refreshments available.

# FESTIVAL COMEDY NIGHT

SATURDAY 27TH JUNE

- LYMM RUGBY CLUB
- 8PM
- DOORS OPEN 7:30PM
- ADMISSION - £15

The Festival Comedy Night is organised in partnership with Comedy in a Van.

**18+** Over 18s only – the show contains significant swearing.

Licensed bar.

Please note: Acts subject to change.

Once again the Festival Comedy Night features three fabulous comics.

**Harry Stachini** used to teach kids. Naughty kids. As in really, really naughty kids and if you can make a success of that how difficult is a career as a stand-up comedian? This natural comic, still of comparatively few summers, allows his natural warmth to carry hilarious tales and intricately spun stories with a skill usually only present in much more experienced comics.

"Well observed characterisations and anecdotes" - *The Skinny*

"Audience in stitches with gags" - *Bedfordshire News*

"Belly-achingly funny" - *I Love Manchester*

Former Kiwi **Sully O'Sullivan** is a seasoned international headliner who has performed all over the world. First stepping onto the stage in his native New Zealand, Sully rocketed to stardom making his TV debut just seven months later in New Zealand's cult stand-up series Pulp Comedy.

"Fits of laughter and applause" - *Channel 4*

"Sully O'Sullivan was amazing" - *NME*

Local comic **Amit Mistry** completes the bill. Amit was born and raised in Manchester, to Indian 'freshie' parents, and shares highly relatable stories about modern life as a dad and husband. He has opened for circuit powerhouses like Stephen Bailey and Mick Ferry, and was shortlisted for the BBC new comedy awards in 2024.

**Rob Riley** will be your incomparable compere for the evening.

# BRIDGEWATER PLAYERS A GHOUL'S NIGHT OUT

## RAINBOW DAY NURSERY

★★★★★

I was nervous about sending my little boy to nursery, but the staff went above and beyond to help him settle in. He has been there for around a year now and you can see how much he has developed, how his confidence has grown, and how much he loves the practitioners and all the activities they do. I would definitely recommend Rainbow Day Nursery to other parents.

★★★★★

Very welcoming nursery. Staff really care about my child, they have a great relationship with him and enjoy my little one's character. Very on board with his dietary needs. Feel reassured when working and they are caring for my child.

★★★★★

Rainbow has provided a caring and nurturing environment for our child. The staff are caring professionals who look at the needs of the individual child. There is great communication between the nursery and parents, and they offer a supportive environment for families. The nursery is a welcome and inviting space for children, and the activities are stimulating and varied.
